HONG KONG ADVENTIST COLLEGE

Hong Kong Adventist College (HKAC), established in 1903, is a four-year liberal arts college founded and supported by the Seventh-day Adventist Church. It has a strong tradition of providing quality education with an emphasis on developing the potential of the whole person. The integration of faith and learning provides a unique academic environment for students from a variety of cultures and religious backgrounds.

THE PROGRAMME

The Department of Health builds its philosophy on the concept that the development of the whole person includes physical, mental, social, emotional, and spiritual health, is fundamental to life and effective service to God and men. Therefore, the mission of the department is to prepare qualified and highly motivated men and women to promote a healthy lifestyle in the community through various careers related to public health.

To complete the four-year Bachelor of Health Science in Wellness, with an Emphasis in Fitness, students are required to take a minimum of 124 credits in three areas: general education, the required cognates and required major courses. A 200-hour internship is required during the last year of study, which provides students with additional practical skills and experience in Fitness.
